**Subject:** Agreed Order # DWM160048

Mr Cummins,

I would like for you to have the TENORM removed from the Estill County Landfill. There are many within our community and also many within the Commonwealth of Kentucky that believe it is important for our elected officials to take a stronger stance on the current decision to leave the material in place. We will be in Frankfort at the capitol on February 21 if you would like to discuss further.

Thank you,

James Stevens
