**RE: Kentucky Wastewater Laboratory Certification Program – 2016
Laboratory Number KY # 08061**

Dear Laboratory,

This letter is to confirm that your laboratory has opted not to renew your Kentucky Wastewater Laboratory Certification for 2016. Please remember that your 2015 wastewater certificate expired on December 31, 2015. Your laboratory may not submit wastewater compliance data to Kentucky's Division of Water. Your laboratory may not be sub-contracted by a Kentucky certified wastewater laboratory for the purpose of providing wastewater analyses results to be submitted to Kentucky's Division of Water.

If you decide to renew your certification at any time in the future please contact Kevin Stewart at (502) 564-3410 or by email at DOWLabCertification@ky.gov. Good luck with all your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Kevin Stewart".
