We will be hand delivering and will have before the end of the week

George P do you have the list of companies we should look for

Subject: 13 months of manifests (January 2015 through January 2016).

Hi Dan,

When can you get the manifests to us and how are you going to get them to us? Email or paper copy? If email, the total for attachments per email is 8 meg. If paper, we'd like them to be hand delivered it to make sure they get here and we would like them by Monday. Thank you, George
